Dear Parents, Carers and Families,

Exciting Times at Our School!

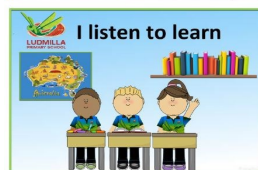

The past few weeks have been filled with adventure and learning for our Year 5/6 students who were at 'Base Camp Wallaroo' for school camp. Students engaged with challenging activities and team-building exercises. The students had a fantastic time bonding with their classmates and showed great courage and resilience in trying new things and stepping out of their comfort zones. We are proud of their bravery and positive attitude throughout the camp experience.

In the classroom, our students have been focusing on the importance of reading and improving literacy skills. Through engaging activities and reading challenges, they are sharpening their reading abilities and expanding their knowledge. It is wonderful to see their enthusiasm for learning and growth in their reading abilities. Students are still participating in the Chief Minister's Reading Challenge. Students who complete the challenge will be recognised with a personal certificate from the Chief Minister and begin their journey to earning a medallion in the years ahead.

On Tuesday night we welcomed a large crowd to our annual school concert. This year, our talented students performed the musical 'The Rock Pool'. With catchy songs and colourful costumes, our talented students worked hard to bring this production to life. I would like to again thank our music specialist Sian Edeson for all her efforts and Charlotte Nefiodovas for the sensational back drop. Thank you to all our parents who assisted in the pack up, it was greatly appreciated.

As we continue to celebrate the achievements and growth of our students, we are reminded of the importance of being brave, trying new things, and working together as a team. We look forward to many more exciting events and learning opportunities in the weeks to come. Next Thursday 8.15 am – 10.00 am, 13th June is our Annual Sports Carnival. All families are welcome and we will end the morning with a sausage sizzle.

Kind Regards
Carol Putica
Principal

Dinidjanggama

Dinidjanggama means 'heavy dew time'. It is the coldest time of the year and the ideal time to burn grass. Dangutjbela and Milula, kangaroos and wallabies, rely on bushfires for regrowth and green grass. We call the bushfires Damijuma.
